The following Notification No. 79—P. T., dated the 27th February 1930, issued by the Government of India in the Legislative Department is hereby republished for general information :—

"The following Press Communique is published for general information :—

The final date fixed for the submission of claims falling under Article 248 of the Treaty of Saint Germain-en-Laye by British Nationals of debts due to them by Austrian Nationals, or of pecuniary obligations of the Austrian Government, was the 31st day of May 1923. This limitation, however, was not applied when the claimants did not become aware of their claims, or of the amount of their claims, until after the 31st day of May 1923, as might happen, for instance, with claims for marine insurance. In these cases the final date for notification was, pending further agreement, fixed at two months after the date on which the claimants became aware of the existence or the amount of their claims. It is now announced that a further agreement has been come to by which such claims will only be considered, if lodged with the Administrator of Austrian Property, New Delhi-Simla, by the 1st May 1930.

The term Austrian Nationals used above denotes Austrian Nationals resident in the State of Austria as constituted under the Treaty of Saint Germain-en-Laye, and excludes Nationals of the former Austrian Empire who have now acquired a different nationality under the provision of that Treaty."
